## Presidents Resignation

It is with regret that we inform the members of FCC associated clubs that David Miller has resigned as president of the N.S.W. Federation of Camera Clubs.

David wrote –

It is with great regret that I must resign my position as President of the FCC and member of the committee due to ill health.

On the 1st April I died on the operating table. Surgeons spent 3 minutes reviving me and I have been in ICU since then. My health is unlikely to return.

I wish to thank all of the community and helpers for their support over the past years.

David Miller, AFIAP GMAPS JP

I have had the opportunity to visit David, who is now in a Rehabilitation unit, and can report that he is recovering slowly, but suspect that it will take some time for him to regain his strength completely.

Top Shot entries closed on the 17<sup>th</sup> of April, and the various sections were judged on Sunday the 28<sup>th</sup> of April at the St George Leagues Club. Many thanks to members of the St George Camera club for their assistance to facilitating the process on the day. We would also like to thank the judges who assisted in assessing the entries. ## Federation of Camera Clubs N.S.W. annual General Meeting

We would also like to see the FCC member clubs well represented at the Federation of Camera Clubs N.S.W. annual general meeting which will be held before the exhibition at 10:30AM. As I have mentioned in previous issues, although this is not an election year for the FCC, we would be pleased to be able to fill vacant positions on the committee. This is even more important with the resignation of our president David Miller because of ill health. We would welcome interested members of an FCC associated club who are willing to work collaboratively with other committee members, to put their name forward for consideration to fill one of the vacancies.

## Alliance Francaise Sydney Head On Exhibit.

As a part of the head on Festival Alliance Francaise is holding an exhibition of images by Australian borne photographer Craig Holmes

Metro Man was photographed in 1996, juxtaposing the movement and mood of the people, against advertising posters on the metro walls.

This series is a unique insight into the daily ritual of Parisians traveling to and from work.

Every image represents four seconds of time, hand held camera exposures, manipulating and montaging my subjects within the camera, as well as using subject movement, producing surreal images of the Paris metropolitan rush hour.

Craig Holmes was born in Brisbane, Australia, in 1956.

His photography has been collected by Bibliothèque Nationale de France, Paris, National Gallery of Australia, Art Gallery of New South Wales, Gallery of Modern Art, Queensland Art Gallery, Performing Arts Museum, The Arts Centre, Melbourne and the Monash Gallery of Art.

The exhibition will be open from 04 May 2019 to 30 May. Opening Hours are Monday to Thursday 9:00 am–7:00 pm. Friday, 9:00 am–5:00 pm, and Saturday 8:30 am–2:00 pm.

The exhibition will open at the state Library on Saturday the 25<sup>th</sup> of May and will be open till Sunday the 23<sup>rd</sup> of June 2019. # THE PRICE OF FREEDOM

by

Luciano Vranich

Exhibition in the Lower Lounge area at:

**Penrith Central Library**

**601 High Street, Penrith**

Exhibition dates: Monday 29<sup>th</sup> April 2019 – Monday 10<sup>th</sup> June 2019

Luciano is a past member of the FCC committee, and has been involved with the Henry Lawson Camera Club for many years and is their current president. Luciano has a unique and interesting approach to photography by conveying social comment and meaning with his images.

Luciano has written the following words to explain the exhibition

Freedom is an aspiration to achieve for any human being suffering inhumane conditions in an environment one is currently situated.

Free from oppression, free from hunger, free from persecution, free to desire a better life.

To achieve the dream to be free one has to escape the nightmare of oppression, the nightmare of hunger, the nightmare of torture, the nightmare of genocide.

There is always a price to be paid. The price to escape and be shot at while escaping, the price to be paid while trying to find a new country that says you are a queue jumper, the price to be paid while

you are left in a centre for years, the price to be paid while your children suffer the agony of no future because you dared to dream of a better future.

The nightmare continues while the political wolves snare at you with malevolent eyes. You are not a human being, you are just a statistic.

There is no soul in a statistic, there is no soul in numbers, there is no soul where there is no human contact.

Look me in the eye and see my humanity, look at my clothes and see the want of being poor.

Touch my skin and feel the throb of my humanity.

If only you could walk with me and share my despair, if only you would offer me a drink of water to assuage my thirst, then I would know you new me as human being.

## Federation of Camera Clubs Judging Course

Last year the FCC committee had intended to organize and run a number of 'Judging Courses' for members from affiliated clubs who are interested in becoming recognize judges. Unfortunately because of circumstances beyond the control of the committee at the time, these courses did not go ahead.

The committee is in the process of organizing venues and presenters, so that we can run at least one course, and possibly two courses in Sydney this year. This will depend on the number of people interested in doing the course. We are also hoping that it will be possible to organize a course for the northern zone clubs, with their agreement.

The courses would be run over the 2 days of a weekend. The first day would include presentations on the skills required to evaluate, critique and present while judging images at a club. The second day usually involves some elements about public speaking and exercises in image assessment. A detailed program will be available closer to the dates. The course is designed for experienced photographers who are considering becoming judges, and are interested in encourage club members with their photography, and support local clubs by doing this.

When we have finalized the dates and venues and costs for the courses, they will be announces in F/Stop.

If you wish to send an expression of interest in doing the course beforehand, please send it by email to [fccjudgeslist@gmail.com](mailto:fccjudgeslist@gmail.com) and we can keep you informed of details as they become available.
